BLACK EDITION

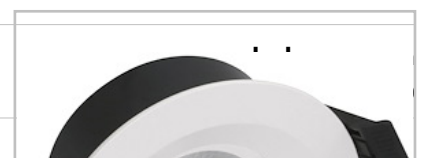

Product information

BLACK EDITION

We are proud to present the downlight series "Black Edition", with high quality and advanced technology. Downlights and drivers are tested with the most common brands of dimmers on the market. We guarantee that the products work optimally together and have a long lifetime. Experience a smooth dimming that is completely flicker-free. All LED drivers are dimmable and equipped with fast connection terminal blocks enabling simplest possible installation. Made of aluminium, for excellent feel and lifetime. Covers most wishes and needs. Black Edition makes it easy to choose and connect correctly. The obvious choice for the professional customer.

With 10 years guarantee.

For recessed mounting. Fast connection terminal block 4x2.5 mm². Tiltable 25°. The luminaire is approved for mounting directly in insulation material. Complete with driver. Dimmable with transistor dimmer with trailing edge technology (RC). Double insulated.
